Former educator and recovering lobbyist turned media maven. Danielle is the Chief Creative Officer of Politini Media where she scripts and produces [Politini](#), the most downloaded podcast on BLIS.fm. She also developed and wrote a video mini-series "[Politini on theGrio](#)" which aired on MSNBC's African American website.

Her policy analysis and cultural commentary have been published in a variety of outlets including: xoJane, Essence, The Atlantic, Ebony, and Huffington Post and her own blog, Living, Loving & Laboring OUT Loud, or [threeLOL](#). She was also a contributor to the acclaimed [Shriver Report: A Woman's Nation Pushes](#)

[Back From the Brink](#) and appears frequently on MSNBC, Fox News, PBS, and BBC America.

Danielle is currently an Advisor to the Center for American Progress, the nation's largest progressive think tank, where she launched the [Fighting Injustice to Reach Equality](#) initiative with her wife. She's been recognized as one of The Root's top 100 African American trailblazers and a "Forty Under 40" LGBT leader by the Advocate.
